MESSAGE FROM THE FOUNDER & PRESIDENT OF ANGEL FOUNDATION :-

I am happy to announce the commencement of our Foundation, it is my pleasure to offer the Vocational Education at **Angel Foundation**, in such a way which will help the youth to develop themselves along with its family and nation.

We all know very well that in today's modern world, Education is only the key of vehicle for the journey of good professional & social life.

On 15thJuly, which has been designated as the "**World Skills Day**", Our honorable Prime Minister Shri. Narendra Modi have launched the Pradhan Mantri Kaushal Vikas Yojana (PMKVY), the flag-ship scheme for the Governments Skill India campaign to develop the skills of our youth in such a way that, **INDIA WILL BECOME THE SKILLS CAPITAL OF THE WORLD**. And to do that I have started this ACC for the development of the Vocational Education for the development of the society and the nation.

In our society we have a lot of youth with the traditional education which will not help them to get the job and even they are not in a position to do something for themselves as well as for their family and nation and after a lot of surveys the reasons come out for this is only that they do not have any skills. So they are handicapped to get the job without any skills in the modern world.

And at the last I will only say to every youth of the society to come at **ANGEL FOUNDATION** and develop themselves with the ACC's skills development programs because it is very clear that "**Agar hunar hai to hi kadar hai**".
